CATHOLIC CHURCHES

Gospel Meditation:

Baptism gives us what we need to make well informed and purposeful decisions. By this simple gesture, God claims us as His own and provides us with the identity and purpose we need to properly live life. It is tremendously reassuring, when we truly embrace this revelation and realize that we no longer have to wonder about the purpose of our lives or struggle to find our way. The answer of who we are in God has been given to us. We no longer have to fumble around, trip over ourselves or walk aimlessly about. Issues surrounding the sacredness of life, the meaning of death, the protection of those most vulnerable, care for the weak and the poor, offering hospitality to those in search of a home, the purpose and proper place of work, how to create a just social order, caring for creation, and understanding our roles as heralds and stewards are just a few of the wonderful gifts baptism brings. When we make decisions based on things such as these core Gospel truths we really act as Christ himself, revealing to others the new creations that we are. This is how we live our baptism.©LPi
